

## **SCHOOL DELAY OR CANCELLATION DUE TO INCLEMENT WEATHER**

**Please be reminded that every effort will be made to have school closing information on the area radio and television stations by 6:00 a.m. In the event that school should start late due to inclement weather, that information will also be on the radio. Please make sure that your children have some kind of “backup” plan in case their bus should be running late due to roads or mechanical problems. If weather conditions rapidly change during the day, the bus company or the sheriff’s department may request that schools dismiss early so that buses are not operating on dangerous highways. Please develop a plan for your children to be supervised by a neighbor or relative in the event you are not able to be home when your child gets there. The names and numbers of radio stations that will carry school closings and emergency closing information are listed below.**

**Thank you.**
